

SWYM Mexico Trip Fundraising Form

This letter is to confirm that the student standing at your door is indeed with SunWest Christian Fellowship! Our students are doing a fundraiser to raise money for our annual Mexico trip with Amor Ministries.

From March 22nd to April 1st, we will be taking van loads of students down to Tijuana Mexico to build houses for families in need. Throughout our 26 years we have built over 130 homes. By supporting this student you will be helping them serve a deserving family by building them a new home.

Thank you!
