

Ron Feenstra Legacy Fund:

The Ron Feenstra Legacy Fund was established in 2021 after Ron joined our heavenly Father. The fund was born out of Ron's passion and love for the Mexico Trip and the impact it has on the lives of so many young people. Ron began attending the trip in 2007 when his boys were in high school, and continued to attend for a decade. Ron's wife Sheri has been involved administratively with the Mexico Trip every year the trip has been in existence, and continues to serve faithfully assisting in helping make this trip possible.

Ron's legacy on the SunWest Mexico Missions Trip will never be forgotten. He had a heart for the trip, for building houses for families in need, to see students thrive, and to bring joy, fun and wisdom everywhere he went. Ron's calling to be a leader in Mexico came to too short an end, but the family's hearts were still with the trip. They saw the impact it had on student's lives; their own boys included! Through prayer and relationships, they felt a specific empathy toward Youth Leaders. These Leaders have committed to pouring into the lives our students, week after week, and often times year after year, as they take time off work so they can lead students on the Mexico trip. These leaders care for our students, making it possible for them to experience this life changing trip. While Ron's journey may have been cut short, he had a passion to see youth leaders attend Mexico, and wanted to remove any financial barrier that may exist. For this reason, the Feenstra family has created the Ron Feenstra Legacy Fund. This fund reduces the cost for SunWest Youth Leaders to attend Mexico, which greatly impacts the intentional care, and spiritual leadership on the trip, creating greater opportunities for life change for our students.
